Privacy policy
IDareTo mobile application

We will be anonymously collecting the following information thru the use of this app:

- Completed and aborted challenges.
- User challenge ratings.
- Used functions.

We will hold your data securely and not make it available to any third party unless permitted or required to do so by law.

The requested information will be used to:

- Improve the functionality and user experience of the app.
- Improve the challenge database.

The data will be stored in a relational database on a web server. Since it is anonymous data, the information can not be removed for a particular user.

I agree that IDareTo app process my data as described above.
